TERMS AND CONDITIONS

- **SAFETY:** The machine has been designed and manufactured according to CE safety regulations in machinery.
- **TRANSPORT, INSURANCE, AND SET-UP:** not included. For road transport, the machine is assembled before being shipped.
- **WARRANTY:** WORLDMAQ-3 SL ensures the smooth operation of the machine for 12 months or up to 1800 hours of operation from the date of sale of the machine. The warranty covers manufacturing defects in materials and repair time. It does not include defects and damage caused by improper use or its elements. Neither consumable materials nor those subjected to wear are included.
- **MAINTENANCE:** Preventive maintenance of the machine is the responsibility of the client and it is available through WORLDMAQ-3 SL or its official distributors and maintenance services.
- **QUALITY CONTROL:** We ensure the machining of parts, assembly and correct machine functioning. Several tests carried out under normal working conditions. Follow-up on quality control is carried out during statistical quality inspections, which optimize the most important aspects of the machine.
- **INSTALATION AND START-UP:** The installation of the machine at its destination will be carried out by the customer or by our specialized dealers, according instructions and user manual provided.
- **PAYMENT TERMS:** 30% down payment of the total amount of the machine by bank transfer when accepting the commercial offer and placing the order. (No order shall be deemed confirmed until the requested down payment of 30% has been sent).
 - The remaining 70% of the total amount of the machine will be made by bank transfer or confirmed documentary Letter of Credit (LC).
 - Please, ask for alternative payment options.
- **DELIVERY TIME:** This period will be established by mutual agreement of both parties at the beginning of the project.
 - If the buyer fails to make the payments as established, there will be a recalculation of the delivery time of supply.
- **DOCUMENTATION:** A complete instructions manual of the purchased machine will be delivered along.
 - Languages to choose from are: English, French, Spanish or Catalan.
